NETFILE INTRODUCES ETHICS TRAINING TRACKING AND ANYFORMS

NetFile, the industry leader and pioneer in paperless electronic filing and administration systems for Statements of Economic Interests (FPPC Form 700) and Campaign Disclosure (FPPC Forms 410, 450, 460, 461, 470, 496, and 497), is pleased to announce the addition of Ethics Training Tracking and AnyForms tracking to its Statement of Economic Interests Form 700 application.

You can now manage your Ethics Training forms and any other filer required forms (for example Sexual Harassment Training certificates) right through your Form 700 platform. This is provided at no additional cost to agencies using the Form 700 system. Alternatively, you can choose just to use the Ethics Training Tracking and AnyForms by itself. Just contact NetFile for a quote.

The system tracks all your forms and provides up to the second filer status reports as well as automating your communication process to your filers. Don't waste time keeping track manually when your filings are due. The NetFile system does it for you!

NetFile is a privately held corporation based in Mariposa, CA and was established in 1998. NetFile is the originator and leader in e-filing and administration systems for both Campaign Disclosure and Form 700 Statements of Economic Interests systems. All programming, sales, and support are based in California so all revenue supports local and state economies.
